4.3 Presentation by Treasurer of Highlights of the Accounts

TL Explained how the year ended on 30th September 2024 with an misleading amount of money in the bank. That was because the purchase of Homeground took place in October and so the present situation was of around £9,000 in the bank.

That said, there will be very little outgoings for the rest of this financial year and there should be a surplus of over £2,000 at the end. Should there be any new project initiatives, they would have to be funded by new grants.

5. Chairman's Report

TM provided an overview of the year , including the more recent purchase of Homeground and subsequent start of building on site.

He noted that, apart from the 3 acres of Homeground leased to Two Rivers HA for the 31 homes, ECLT now owned the remaining 2 acres freehold. There were no plans for that land immediately and TM invited suggestions as to any new ideas, apart from further housing, which Members might feel were needed in the Parish.

6 General Discussion

TM and TL then took questions from the floor.

TM concluded the discussion by urging Members with detailed questions to attend the Drop-ins which were planned for late Spring, at the Village Hall. Housing specialists from Two Rivers HA and Stroud DC would be in attendance and individual conversations could be arranged.

MB also reminded anyone hoping for a rented house at Homeground to register with the Gloucestershire HomeseekerPlus system.

Meeting closed at 7.50 pm
